The request for reconsideration has been considered but does NOT place the application in condition for allowance because: See Continuation Sheet. 12. Note the attached Information Disclosure Statement(s). (PTO/SB/08) Paper No(s). 13. Other: _____. PRIMARY EXAMINER

Continuation of 11. does NOT place the application in condition for allowance because: Applicants contend that Garuglieri does not teach a bevel angle locking actuator being attached to a saw support assembly which is attached to a base assembly. The examiner respectfully disagrees. Garuglieri shows a bevel angle locking actuator (e.g., 172) being attached to a saw support assembly (e.g., 26) which is attached to a base assembly (e.g., 16). It is noted that different components can be attached to each other by way of their common connection to something else..
